Attachments: EPA response to follow up from the November 12, 2020 meeting regarding the Oxitec Experimental Use Permit

Good morning,

Attached is the email with the letter to Florida Keys Environmental Coalition that was sent last week.

Thank you,

Carissa

Hi. Will OPP be sending this signed letter out via e-mail? Normally OPS would send this letter out once OPP provides the appropriate email address for the organization. In light of the time constraints please confirm who has the appropriate email and can send this out or provide us with the best email so that we can send it out. Thank you.
